J'ai le plaisir de vous annoncer que j'ai obtenu une nouvelle certification :

Design Terminology de [Uxcel](#) !

4

A screenshot of a Facebook post. At the top left is a circular profile picture of a man with dark hair and a beard. To his right, the name 'Fenohery Fanomezanirina' is displayed with a verified badge (a checkmark in a circle) and the text '• You'. Below the name is the bio 'Design-First AgriTech Founder | UX/UI & No-Code Expert | AI Integr...' followed by '3yr' and a small globe icon. The main text of the post reads: 'J'ai le plaisir de vous annoncer que j'ai obtenu une nouvelle certification : UX Design Foundations de [Uxcel](#) !'. Below the text is a large, colorful illustration. It features a central, large, orange, scalloped-edged shape with a simple, happy face (two curved lines for eyes and a wide, white, open-mouthed smile). This central figure is surrounded by several blue balloons of different sizes and white balloons. The background of the illustration is light blue with white polka dots and faint, thin-lined geometric shapes like circles and triangles.
